

STATE OF GEORGIA
WITHHOLDING CERTIFICATE FOR PENSION OR ANNUITY PAYMENTS

What is Form G-4P? Recipients of income from annuity, pension, and certain other deferred compensation plans use this form to tell payors whether to withhold income tax and on what basis.

If you itemize or claim other deductions or you and/or your spouse have more than one source of income subject to withholding or you (and your spouse if filing jointly) qualify to claim the retirement income exclusion, complete Schedule A on page 2 of this form to calculate the number of additional allowances to which you are entitled.

O.C.G.A. § 48-7-101(j) provides that recipients of non-periodic payments made on distributions from pension, annuity, or similar funds, may elect to have tax withheld on such distributions similar to recipients of periodic payments.
